

St. Hubert Catholic Community Funeral Reception Information

We are fortunate to have a group of volunteer parishioners whose ministry is to be available for hospitality and service needs for events at St. Hubert Catholic Community. One area of their ministry is to arrange a reception for families who plan a funeral here so their guests will feel welcome to gather together after the service or burial.

Our funeral reception coordinators will make every accommodation to meet the needs of your family during this difficult time. When you meet with one of our priests to plan the funeral, please let him know your choice (option) and the approximate number of guests expected. Also, please provide us with the name(s) and phone number(s) of a family member or friend we can contact, if needed.
