

Gospel Procession

Steps of the Gospel Procession

1. When second reader moves to put the book away, get a candle and carry it to the side of the altar. Wait (just a moment) for priest / deacon to raise the Gospel and turn for the procession.
2. Proceed to ambo around the front of the altar. Rest candles on floor while Gospel is proclaimed. (red dot leads, blue follows deacon/priest)
3. Turn toward Gospel Bookstand and walk side-by-side with the priest / deacon to the bookstand. Wait for the priest / deacon to move then turn to the left and return the candles.
